*Forest and Nature* is an international journal dedicated to publishing high-quality research in the fields of forestry, ecosystems, and nature conservation. The journal serves as an essential platform for academics, researchers, and practitioners to publish their studies, share insights, and contribute to sustainable environmental practices.

- Welcomes research articles, review articles, commentary, perspectives, and short communications with strong academic rigor.
- Publishes scientific contributions relevant to a global audience of researchers, forest managers, policymakers, and conservation practitioners.
- Covers a wide range of topics, including forest ecology, biodiversity conservation, sustainable forest management, ecosystem services, climate change adaptation, forest restoration, and nature-based solutions.
- Follows a double-blind peer review process to ensure impartiality and uphold high publication standards.

# FOREST AND NATURE

Vol. 1, No. 1, January 2025

## RESEARCH ARTICLES

- Harnessing the Blue Economy: Ethnobotanical Insights into Mangrove-Derived Functional Foods for Climate-Resilient Futures  
Syari Mela Simanjuntak<sup>ID</sup>, Duryat<sup>ID</sup>, Melya Riniarti<sup>ID</sup> .....1-8
- How Successful the Community Conservation Partnerships Empowering the Local Community in Lore Lindu National Park, Indonesia?  
Sudirman Daeng Massiri<sup>ID</sup>, Golar<sup>ID</sup>, Hamka<sup>ID</sup>, Hasriani Muis<sup>ID</sup>, Naharuddin<sup>ID</sup>, Adam Malik<sup>ID</sup> .....9-20
- Modeling Groundwater Flow Dynamics Using the Master Recession Curve: Insights from Small Island Watersheds in Ambon, Indonesia  
Bokiraiya Latuamury<sup>ID</sup>, John Frangky Sahusilawane<sup>ID</sup>, Husain Marasabessy<sup>ID</sup>, Wilma Nancy Imlabla<sup>ID</sup>, Gunawan Hartono<sup>ID</sup>, Much Hidayah Marasabessy<sup>ID</sup> .....21-34
- Marine Borer Resistance of Resak Wood (*Vatica* sp.): Assessing Durability Across Different Immersion Depths  
Hikma Yanti<sup>ID</sup>, Muhammad Riski<sup>ID</sup>, Muhammad Dirhamsyah<sup>ID</sup>, Ahmad Yani<sup>ID</sup> .....35-45
- Seed Quality Description of Kilemo (*Litsea cubeba* (Lour.) Pers.)  
Eliya Suita<sup>ID</sup>, Atfi Indriany Putri<sup>ID</sup>, Darwo<sup>ID</sup>, Nurhasybi<sup>ID</sup>, Dida Syamsuwida<sup>ID</sup>, Aam Aminah<sup>ID</sup>, Deddy Dwi Nur Cahyono<sup>ID</sup>, Danu<sup>ID</sup>, Abdul Hakim Lukman<sup>ID</sup>, Hani Sitti Nuroniah<sup>ID</sup>, Supatmi<sup>ID</sup> .....46-55
